- Easy-to-move gears are perfect for little fingers.
- Color-coded hour and minute hands
- Labeled minute markers
- Compact, durable design

The Geared Student Clock teaches analog time in a fun, hands-on way. Turn the gears to see the hour and minute hands move like a real clock.

The easy-to-read numbers and labeled minute markers make telling time a snap! Plus, its compact, kid-tough design makes it perfect for years of classroom use.
